Logon Guide for Teachers to Version 3-2017

1 Login using Chrome (recommended browser)

If your nForma Administrator has not created an nForma hyperlink on your landing page, simply enter the following URL:

https://www.nforma.ct.com.au/content/index.html#/nsystem/login

The FIRST time you login to nFormaWeb:

Type in your school domain in the field "Enter or Select School Domain" **DO NOT** include the "catholic.edu.au" suffix.

DGIN			
Enter or Select School Domain:	School Dore In	•	Verify
username			_
username			
password			
password			
Remember Me?			
	LOGIN		

Click on "Verify" and the school domain field will update with the details of your school. You will also see your school logo appear in the top left corner of the screen.

Enter or Select School Domain:	cepl3	▪ Verify
username		1
username		
password password Remember Me?		

Enter your username and password and click LOGIN

Enter or S	Select School Domain:	cepl3-CEPL Demo	•
	username		
admin password Remember Me?			

The next time you login to nFormaWeb on the same computer:

Select from the drop list your school domain. Check that the logo appears for your school.

Enter or Select School Domain:	cepI3-CEPL Demo	*
usemame		cepl3-CEPL Demo
username		\sim
password		
password		
Remember Me?		

DO NOT SELECT YOUR SCHOOL DOMAIN FROM THE BROWSER'S "autofill" list. If you do select the "autofill" option, the school logo will not appear and the system will not log you in.

Enter or Select School Domain:	с	• Ve
	cepi3-CEPL Demo	
username	cep13	
username		
password		
password		

At the main menu, use the menu bar to access other modules.
